

Hello, I am a regular listener to klove (klove.com) radio & have heard that klove stations may be replaced by LPFM broadcasters. Klove is a possitive staion that means a lot to me. Klove means a lot to the communities it serves. Klove broadcast the truth & love of our Lord & Savior Jesus Christ. Klove can reach many people with possitive radio rather than filthy radio.

Thank you for taking the time to read my comments.
